MEMORANDUM

TO: NICOLE ARD, CITY MANAGER

FROM: JOE MCNEAL, CO-ACTING DIRECTOR OF RECREATION
GREG VARDA, CO-ACTING DIRECTOR OF RECREATION

SUBJECT: RECREATION FACILITY REOPENING

DATE: JUNE 11, 2020

CC: DAVID MORAN, ASSISTANT CITY MANAGER
JIM STERLING, DIRECTOR OF PUBLIC WORKS

As you are aware, today the County Executive announced Prince George's County will enter a modified Stage 2 status effective Monday, June 15, 2020. At the time of this writing staff has not had the benefit of reviewing the actual Executive Order to apply the details to our DRAFT plan. Upon review of the Order, modifications may be necessary. Attached for consideration is the Department DRAFT plan for reopening facilities in Greenbelt. This is a fluid document that will continue to be updated and changed in the future depending on conditions.

Aside from reviewing and developing reopening plans, staff has purchased various items to use moving forward. They include: touchless thermometers, floor markers for traffic follow and social distancing, extra face coverings for staff, additional Life Guard EMS equipment and door bells.

Public Works has purchased necessary cleaning supplies and Electrostatic cleansers for regular cleaning of spaces.

There are a number of items staff continues to work on in order for the City to safely enter into the Modified Stage 2 status and reopen facilities. They include:

- Staff training which could take 1 to 2 weeks. Certainly 2+ weeks for Aquatic staff.
- Securing and installing sneeze guards. Public Works estimates receiving and installing this protection in approximately 2 weeks.
- Finalizing "return to work" processes for staff.

Once the items noted above have been addressed, staff believes indoor facilities can begin a gradual reopening to the public. However, there will continue to be restrictions as noted in the attached DRAFT plan.

SUBJECT: County and State Regulations Regarding Re-Opening

Background:

This document contains information related to State and County regulations that address the re-opening of a variety of establishments and activities including but not limited to eating establishments, places of worship, and outdoor youth sports. Governor Hogan released an executive order on June 10, 2020 to address allowing the reopening of certain businesses and facilities, subject to local regulation. The contents of this executive order are summarized in the chart below.

This executive order also addresses the ability for political subdivisions to issue more restrictive orders. Paragraph I.d. states:

d. "If a political subdivision determines that doing so is necessary and reasonable to save lives or prevent exposure to COVID-19, the political subdivision is hereby authorized to issue orders that are more restrictive than this Order ('Local Orders"):

i. Requiring any businesses, organizations, establishments, or facilities to close or modify their operations; and/or
ii. Requiring individuals to remain indoors or to refrain from congregating

e. Local Orders may remain in effect for so long as this Order (as it may be amended from time to time) remains in effect. The authority granted by paragraph I.d is in addition to, not in derogation of, any authority of a political subdivision under its charter, laws, ordinances, or regulations.

	State Regulation	County Regulations for Modified Phase Two Reopening on June 15, 2020
Retail Stores	**Summary:** May open as of June 19, 2020 as long as total number of persons not exceed 50% of the maximum occupancy **Text:** Subject to applicable Local Orders and Secretary's Directives: i. retail businesses, organizations, establishments, and facilities in the State of Maryland ("Retail Establishments") may open to the general public, provided, however, that the total number of persons permitted in a Retail Establishment at any one time shall not exceed 50% of that Retail Establishment's Maximum Occupancy (defined below); and ii. effective as of 5:00 p.m. on June 19, 2020, shopping centers in the State of Maryland that have one or more enclosed pedestrian concourses may open to the general public. (Source: June 10, 2020 Executive Order)	Will be able to open in-store, with safeguards and capacity limits. 5 people per 1,000 square feet will be allowed in store, not to exceed 50% percent capacity. (Source: June, 11, 2020 Press Release)
Barbershops and Hair Salons	**Summary:** Can open as long as number of persons do not exceed 50% of the maximum occupancy **Text:** Subject to applicable Local Orders, applicable Secretary's Directives and paragraph III.d.ii below, the following establishments in Maryland ("Personal Services Establishments") may open to the general public: 1. beauty salons; 2. barber shops; 3. tattoo parlors; 4. tanning salons; 5. massage parlors; and 6. establishments that provide esthetic services or provide nail technician services (as described in Title 5 of the Business Occupations Article of the Maryland Code); - 5 - ii. All customers over the age of two are required to wear Face Coverings (as defined in the Face Coverings Order (defined below)) while inside any Personal Services Establishment, except to the extent wearing a Face Covering would make it impossible for services to be performed. All Personal Services Establishments shall: 1. require staff to wear Face Coverings while in areas open to the general public and areas in which interaction with other staff is likely; 2. provide services on an appointment	Will be allowed to open for hair services by appointment only at 50% percent capacity, with the use of PPE. This includes facemasks and gloves for all employees and customers must also wear masks, along with appropriate floor markings to create adequate social distancing. 	basis only; 3. not allow the number of persons in the Personal Service Establishment to exceed 50% of the Personal Service Establishment's Maximum Occupancy (defined below); and 4. after providing services to each customer, clean and disinfect the area in which services were performed in accordance with applicable guidance from the CDC and MDH. (Source: June 10, 2020 Executive Order)	
All other personal services, which includes nail salons, massages, and spas	**Summary:** Can open as long as the maximum persons do not exceed 50% **Text:** Subject to applicable Local Orders, applicable Secretary's Directives and paragraph III.d.ii below, the following establishments in Maryland ("Personal Services Establishments") may open to the general public: 1. beauty salons; 2. barber shops; 3. tattoo parlors; 4. tanning salons; 5. massage parlors; and 6. establishments that provide esthetic services or provide nail technician services (as described in Title 5 of the Business Occupations Article of the Maryland Code); - 5 - ii. All customers over the age of two are required to wear Face Coverings (as defined in the Face Coverings Order (defined below) while inside any Personal Services Establishment, except to the extent wearing a Face Covering would make it impossible for services to be performed. All Personal Services Establishments shall: 1. require staff to wear Face Coverings while in areas open to the general public and areas in which interaction with other staff is likely; 2. provide services on an appointment basis only; 3. not allow the number of persons in the Personal Service Establishment to exceed 50% of the Personal Service Establishment's Maximum Occupancy (defined below); and 4. after providing services to each customer, clean and disinfect the area in which services were performed in accordance with applicable guidance from the CDC and MDH. (Source: June 10, 2020 Executive Order)	Nail salons can now reopen by appointment only with strong safeguards and physical distancing in place. These businesses must have PPE, including face coverings and gloves, and they may only have 1 customer per 200 sq. ft. of service delivery space. Customers are required to wear face coverings, and high contact surfaces must be cleaned with disinfectant every 2 hours. All employees must receive training on CDC COVID-19 guidance. Digital payment methods should be encouraged as well. Spas, massage parlors, and tattoo parlors will remain closed. (Source: June, 11, 2020 Press Release)

DRAFT - Plan for Re-Opening Indoor/Outdoor Recreation and Park Facilities

In response to the COVID-19 pandemic, the City of Greenbelt has taken unprecedented actions to protect the citizens of Greenbelt during this worldwide health emergency. Beginning on March 13, 2020 the City began a process for closing all indoor facilities and most outdoor facilities in order to mitigate the spread of COVID-19 in Greenbelt and surrounding communities. The City is anxious to begin re-opening facilities to meet the Recreation and Park needs in our community. In consideration of Governor Hogan's guidelines and directives spelled out in the ***"MARYLAND STRONG Roadmap to Recovery",*** as well as CDC and County Health Department guidelines, we are using a Three-Staged approach to reopening indoor and outdoor facilities in Greenbelt.

The green sections of the plan are the initial guidelines the Recreation Department will follow. However, we will continually assess measures as we move through each Stage. This plan is meant to balance the need for and benefits of recreation, while operating within the guidelines set forth for social distancing and sanitation measures. It is important to note that this is a fluid document and may be revised as needed.

While we prepare to reopen facilities, we will work diligently to secure appropriate sanitation resources, develop necessary signage, train staff on new protocols, and obtain necessary PPE for our staff. We will continue to keep our community updated as phases are developed for implementation in each of the Three Phases of reopening.

We ask that you are patient as we work through each Stage of the plan, and we ask that all citizens abide by all established rules and requirements to keep our community safe. Please direct all questions to the Greenbelt Recreation Department main Business Office at 301-397-2200.

We look forward to recreating with you all again soon.

Interim Guidance for
LIMITED OUTDOOR YOUTH SPORTS

OPEN FOR YOUTH SPORTS

- This guidance specifically addresses skill-building drills and team-based practice, as described in the CDC Guidance on Considerations for Youth Sports.
- Develop a plan or checklist for reopening of outdoor facility consistent with CDC guidance that includes:
  - Communications and signage.
  - Routine and frequent environmental cleaning and disinfecting, especially for high-touch surfaces, in accordance with CDC recommendations.
- Each program shall create a plan or checklist to ensure that:
  - No group may exceed 10 individuals at any time.
  - Individuals shall maintain 6 feet of physical distance, wherever and as often as possible.
  - Staff shall wear face coverings.
  - There is a staff training plan that includes COVID-19 prevention.
  - Staff and youth athletes are screened regularly for illness or exposure to COVID-19.
  - If they can be worn safely and consistently, youth athletes age 9 and older shall wear face coverings.
  - Staff, youth athletes, and parents/guardians shall wear face coverings when participants are arriving and leaving.
  - Individuals from outside the program are limited in their interactions with staff and participants, including parents/guardians during drop off/pick up.
  - Youth athletes who are sick from COVID-19 may not attend a practice or training until they are cleared for release from isolation according to CDC guidelines and cleared to return by a healthcare provider.
  - Any staff or youth athlete exposed to a person with a confirmed or probable case of COVID-19 may not attend the program until they have completed quarantine following CDC guidelines.
  - Social distancing protocols and procedures exist for staff, youth athletes and parents/guardians, with special consideration for entrances and exits, queues, bottlenecks, facility layouts, and safe capacity limits.
- Evaluate all program activities to identify possible "high-touch" practices and opportunities to reduce or prevent COVID-19 transmission.
- Outdoor facility capacity may be limited based upon executive order or other local government guidance.
- Check with the local health department for any additional requirements in the jurisdiction

OPEN FOR EMPLOYEES

- Train staff on current COVID-19 prevention guidelines, such as hand hygiene and cleaning protocols, along with proper PPE use and disposal.
- Implement a daily screening process for staff and youth athletes, which includes CDC or MDH recommended health questions, and consider temperature testing.
- Direct staff and parents/guardians of youth athletes to follow CDC and state guidelines regarding home isolation for suspected or confirmed COVID infections.
- Require face coverings when interacting with other staff and youth athletes, and parents/guardians, particularly if social distancing cannot be assured.
- Train staff on the proper responses to those who challenge social distancing, facial covering, and other protocols.

Interim Guidance for
LIMITED OUTDOOR YOUTH SPORTS

OPEN FOR SOCIAL DISTANCING

- Consider establishing a 6-foot marking system to visually demonstrate the recommended social distancing.
- Consider staggered practice and training times to minimize bottlenecks at entrances and exits of outdoor facilities.
- Limit parents/guardians attendance. If it is necessary for them to be at practice, ensure that proper social distancing is maintained between parents/guardians.
- Keep each group separate from other groups using physical distance or by using shared areas during breaks, no use of indoor locker facilities, and limit the number of people in shared bathroom facilities to minimize exposure.
- Limit all activities to avoid contact.

OPEN FOR CLEANLINESS AND COMFORT

- Frequently clean and disinfect equipment and gear, and all high-touch surfaces per CDC guidelines.
- Make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available to parents/guardians, staff, and youth athletes, including at the entrance of the outdoor facility and at bathroom facilities.
- If food is available at the outdoor facility, the facility will follow the guidance developed for food service.
- Restrict team huddles, high fives, and handshakes or other close contact activities.

OPEN FOR COMMUNICATION

- Communicate commitment to COVID-19 prevention by posting adherence with the CDC's guidelines.
- Show everyone care by having signage that details social distancing protocol and COVID-19 prevention.
- Communicate with parents or guardians, staff, and youth athletes on the measures taken for their comfort and on the shared responsibility to monitor their health and stay home if not feeling well.

All Executive Orders still in effect must be complied with. See most up to date orders here: governor.maryland.gov/covid-19-pandemic-orders-and-guidance.

The State of Maryland

Executive Department

ORDER
OF THE
GOVERNOR OF THE STATE OF MARYLAND

NUMBER 20-06-10-01

AMENDING AND RESTATING THE ORDER OF JUNE 3, 2020, ALLOWING REOPENING OF CERTAIN BUSINESSES AND FACILITIES, SUBJECT TO LOCAL REGULATION

WHEREAS, A state of emergency and catastrophic health emergency was proclaimed on March 5, 2020, and renewed on March 17, 2020, April 10, 2020, May 6, 2020, and June 3, 2020, to control and prevent the spread of COVID-19 within the state, and the state of emergency and catastrophic health emergency still exists;

WHEREAS, COVID-19, a respiratory disease that spreads easily from person to person and may result in serious illness or death, is a public health catastrophe and has been confirmed throughout Maryland;

WHEREAS, To reduce the spread of COVID-19, the U.S. Centers for Disease Control and Prevention and the Maryland Department of Health recommend canceling large gatherings and social distancing in smaller gatherings;

WHEREAS, The currently known and available scientific evidence and best practices support limitations on large gatherings and social distancing to prevent exposures and transmissions, and reduce the threat to especially vulnerable populations, including older individuals and those with chronic health conditions;

WHEREAS, To reduce the threat to human health caused by transmission of the novel coronavirus in Maryland, and to protect and save lives, it is necessary and reasonable that individuals in the state refrain from congregating;

WHEREAS, To protect the public health, welfare, and safety, prevent the transmission of the novel coronavirus, control the spread of COVID-19, and save lives, it is necessary to control and direct the movement of individuals in Maryland, including those on the public streets;

WHEREAS, It is further necessary to control and direct in Maryland the occupancy and use of buildings and premises, as well as places of amusement and assembly;

WHEREAS, the Coronavirus Recovery Team continues to advise on related public health and emergency management decisions;

WHEREAS, the State has implemented measures to reduce community transmission rates of COVID-19, while strategically activating the Maryland Strong: Roadmap to Recovery plan;

WHEREAS, the State is continuously expanding COVID-19 laboratory testing capacity and locations throughout Maryland, and has increased its disease-investigation capabilities by implementing operations to trace the contacts of up to 1,000 new cases per day;

WHEREAS, the State has carefully monitored hospital capacity, and has worked with hospitals to ensure their surge capacity can accommodate Marylanders who may become ill;

WHEREAS, the State is procuring necessary protective equipment to safeguard critical facilities and staff; and

WHEREAS, total hospitalizations and usage of hospital beds have been stable or slowly decreasing;

NOW, THEREFORE, I, LAWRENCE J. HOGAN, JR., GOVERNOR OF THE STATE OF MARYLAND, BY VIRTUE OF THE AUTHORITY VESTED IN ME BY THE CONSTITUTION AND LAWS OF MARYLAND, INCLUDING BUT NOT LIMITED TO TITLE 14 OF THE PUBLIC SAFETY ARTICLE, AND IN AN EFFORT TO CONTROL AND PREVENT THE SPREAD OF COVID-19 WITHIN THE STATE, DO HEREBY ORDER:

I. Administrative and Implementing Provisions.

a. The Order of the Governor of the State of Maryland, dated March 12, 2020, entitled "Prohibiting Large Gatherings and Events and Closing Senior Centers," as amended and restated on March 16, 2020, and further amended and restated on March 19, 2020 by Order Number 20-03-19-01, and further amended and restated on March 23, 2020 by Order Number 20-03-29-01, and further amended and restated on March 30, 2020 by Order Number 20-03-30-01, and further amended and restated on May 6, 2020 by Order Number 20-05-06-01, and further amended and restated on May 13, 2020 by Order Number 20-05-13-01, and further amended and restated on May 27, 2020 by Order Number 20-05-27-01, and further amended and restated on June 3, 2020 by Order Number 20-06-03-01, is further amended and restated in its entirety as set forth herein.

b. The Secretary of Health is hereby authorized to issue directives under this Order ("Secretary's Directives"), as the Secretary deems necessary, to monitor, treat, prevent, reduce the spread of, and suppress COVID-19 in relation to any activity permitted under this Order or any business, organization, establishment, or facility that is permitted by this Order to be open to the general public, which directives may include, without limitation, binding requirements and/or non-binding recommendations.

c. Political subdivisions are not prohibited from opening outdoor public spaces to the general public (such as parks, sports fields and courts, beaches, dog parks, and playgrounds), subject to the following:

    i. The decision to do so shall be made after consultation with the health officer for the county in which the outdoor public space is located (or, in the case of outdoor public spaces located in Baltimore City, the Commissioner of Health for Baltimore City) (the "Local Health Officer").

    ii. The Local Health Officer may issue such directives or orders as may be necessary to monitor, prevent, reduce the spread of, and suppress COVID-19 with respect to the use of the outdoor public space ("Health Officer Directives").

    iii. The political subdivision must require persons using the outdoor public space to comply with applicable Secretary's Directives, applicable Health Officer Directives, and applicable social distancing guidance published by the U.S. Centers for Disease Control and Prevention ("CDC") and the Maryland Department of Health ("MDH").

d. If a political subdivision determines that doing so is necessary and reasonable to save lives or prevent exposure to COVID-19, the political subdivision is hereby authorized to issue orders that are more restrictive than this Order ("Local Orders"):

    i. requiring any businesses, organizations, establishments, or facilities to close or modify their operations; and/or

    ii. requiring individuals to remain indoors or to refrain from congregating.

e. Local Orders may remain in effect for so long as this Order (as it may be amended from time to time) remains in effect. The authority granted by paragraph I.d is in addition to, not in derogation of, any authority of a political subdivision under its charter, laws, ordinances, or regulations.

II. Social Distancing.

a. It is strongly recommended that all Marylanders continue following the most current guidance from CDC and MDH regarding social distancing, including,

without limitation, avoidance of large gatherings and crowded places.

b. The Secretary of Health is hereby authorized to issue Secretary's Directives requiring individuals to remain indoors or to refrain from congregating, as the Secretary deems necessary to monitor, treat, prevent, reduce the spread of, and suppress COVID-19.

III. Businesses, Organizations, Establishments, and Facilities That May Be Open.

a. *Religious Facilities*. Subject to applicable Local Orders and Secretary's Directives, churches, synagogues, mosques, temples, and other similar religious facilities of any faith in Maryland ("Religious Facilities") may open to the general public, *provided, however*, that the total number of persons permitted in a Religious Facility at any one time shall not exceed 50% of that Religious Facility's Maximum Occupancy (defined below).

b. *Retail Establishments and Malls*. Subject to applicable Local Orders and Secretary's Directives:

i. retail businesses, organizations, establishments, and facilities in the State of Maryland ("Retail Establishments") may open to the general public, *provided, however*, that the total number of persons permitted in a Retail Establishment at any one time shall not exceed 50% of that Retail Establishment's Maximum Occupancy (defined below); and

ii. effective as of 5:00 p.m. on June 19, 2020, shopping centers in the State of Maryland that have one or more enclosed pedestrian concourses may open to the general public.

c. *Manufacturing*. Subject to applicable Local Orders and Secretary's Directives, all manufacturing businesses and facilities in Maryland may open.

d. *Personal Services*.

i. Subject to applicable Local Orders, applicable Secretary's Directives and paragraph III.d.ii below, the following establishments in Maryland ("Personal Services Establishments") may open to the general public:

1. beauty salons;
2. barber shops;
3. tattoo parlors;
4. tanning salons;
5. massage parlors; and
6. establishments that provide esthetic services or provide nail technician services (as described in Title 5 of the Business Occupations Article of the Maryland Code);

ii. All customers over the age of two are required to wear Face Coverings (as defined in the Face Coverings Order (defined below)) while inside any Personal Services Establishment, except to the extent wearing a Face Covering would make it impossible for services to be performed. All Personal Services Establishments shall:

1. require staff to wear Face Coverings while in areas open to the general public and areas in which interaction with other staff is likely;
2. provide services on an appointment basis only;
3. not allow the number of persons in the Personal Service Establishment to exceed 50% of the Personal Service Establishment's Maximum Occupancy (defined below); and
4. after providing services to each customer, clean and disinfect the area in which services were performed in accordance with applicable guidance from the CDC and MDH.

e. *Other Recreational Establishments*.

i. Subject to applicable Local Orders and Secretary's Directives, the following establishments in Maryland may open to the general public:

1. golf courses and driving ranges;
2. outdoor archery and shooting ranges;
3. marinas and watercraft rental businesses;
4. campgrounds;
5. horse boarding and riding facilities;
6. drive-in movie theaters;
7. outdoor swimming pools;
8. outdoor day camps;
9. tour boats; and
10. effective as of 5:00 p.m. on June 12, 2020:

a. amusement parks;
b. miniature golf establishments;
c. go-kart tracks;
d. the outdoor areas of any other establishments that are subject to the admission and amusement tax under Title 4 of the Tax-General Article of the Maryland Code.

ii. Subject to applicable Local Orders and Secretary's Directives, the following establishments in Maryland ("Indoor Recreation Establishments") may open to the general public, effective as of 5:00 p.m. on June 19, 2020:

1. bingo halls;
2. bowling alleys;

3. pool halls;
4. roller and ice skating rinks;
5. social and fraternal clubs (including without limitation, American Legion posts, VFW posts, and Elks Clubs) ("Social Clubs"); and
6. the indoor areas of any other establishments that are subject to the admission and amusement tax under Title 4 of the Tax-General Article of the Maryland Code;

provided, however, that the total number of persons permitted in an Indoor Recreation Establishment at any one time shall not exceed 50% of that Indoor Recreation Establishment's Maximum Occupancy (defined below).

iii. As used in this paragraph III.e:

1. the term "indoor area" has the meaning provided in COMAR 10.19.04.02.B(9); and
2. the term "outdoor area" means an area that is not an indoor area.

f. *Foodservice Establishments*.

i. Subject to applicable Local Orders, applicable Secretary's Directives, and paragraph III.f.ii below, (a) restaurants, bars, nightclubs, and other similar establishments that sell food or beverages for consumption on-premises in Maryland, and (b) Social Clubs with dining facilities (collectively, "Foodservice Establishments") may, to the extent permitted by applicable law:

1. serve food and beverages to customers for consumption in outdoor seating areas;
2. sell food and beverages that are promptly taken from the premises, i.e., on a carry-out or drive-through basis;
3. deliver food and beverages to customers off the premises; and
4. effective as of 5:00 p.m. on June 12, 2020, serve food and beverages to customers for consumption in indoor seating areas.

ii. Foodservice Establishments shall:

1. require all staff to wear Face Coverings, in accordance with the Face Coverings Order (defined below);
2. not allow the number of persons in the Foodservice Establishment to exceed 50% of the Foodservice Establishment's Maximum Occupancy (defined below);
3. not serve food in a buffet format;
4. not serve customers who are not seated; and
5. clean and disinfect each table between each seating in accordance with CDC and MDH guidelines, using cleaning products that meet the criteria of the U.S. Environmental Protection Agency for use

against COVID-19.

iii. As used in this paragraph III.f:

1. the term "indoor seating area" means a portion of a Foodservice Establishment that is an indoor area, as defined in COMAR 10.19.04.02.B(9); and
2. the term "outdoor seating area" means a portion of a Foodservice Establishment that is not an indoor seating area.

g. *Fitness Centers*. Subject to applicable Local Orders and Secretary's Directives, effective as of 5:00 p.m on June 19, 2020, fitness centers, health clubs, health spas, gyms, aquatic centers, and self-defense schools in Maryland ("Fitness Centers") may open to the general public; *provided, however*, that the total number of persons permitted in a Fitness Center at any one time shall not exceed 50% of that Fitness Center's Maximum Occupancy (defined below).

h. *Casinos, Racetracks, and Simulcast Betting Facilities*.

i. Effective as of 5:00 p.m. on June 19, 2020:

1. the Order of the Governor of the State of Maryland dated March 15, 2020, entitled "Closing Casinos, Racetracks, and Simulcast Betting Facilities" is rescinded and of no further effect;

2. subject to applicable Local Orders and Secretary's Directives, the following establishments ("Gaming Facilities") may open to the general public:

a. MGM National Harbor;
b. Live! Casino & Hotel;
c. Horseshoe Casino Baltimore;
d. Hollywood Casino Perryville;
e. Ocean Downs Casino;
f. Rocky Gap Casino Resort; and
g. all simulcast betting facilities in the State, to the extent not otherwise included in the buildings and premises listed above; and

3. subject to applicable Local Orders and Secretary's Directives, the following establishments may open for racing and other customary operations, but not to the general public:

a. Laurel Park;
b. Pimlico Race Course;
c. Timonium Race Course;
d. Fair Hill Races;

CORRECTED PAGE
A previous version of this page contained an erroneous reference to "Horseshoe Casino Perryville" in paragraph III.h.i.2.d, which has been corrected as "Hollywood Casino Perryville" on this page.

e. Rosecroft Raceway; and
f. Ocean Downs.

ii. The total number of persons permitted in a Gaming Facility at any one time shall not exceed 50% of that Gaming Facility's Maximum Occupancy (defined below).

i. *Other Businesses*. Except as otherwise closed by this Order or any other Order of the Governor of the State of Maryland, subject to applicable Local Orders and Secretary's Directives, businesses, organizations, establishments, and facilities that are not part of the critical infrastructure sectors identified by the U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (currently described at https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19) may open to the general public.

j. *Determination of Maximum Occupancy*. With respect to a Religious Facility, Retail Establishment, Foodservice Establishment, Fitness Center, Gaming Facility, Indoor Recreation Establishment, or Personal Service Establishment (a "Facility"), "Maximum Occupancy" means:

i. The maximum occupancy load of the Facility under the applicable fire code, as set forth on a certificate issued for the Facility by a local fire code official; or

ii. If no such certificate has been issued for the Facility by the local fire code official, the maximum occupancy of the Facility pursuant to applicable laws, regulations, and permits.

k. *Operating Requirements*.

i. All businesses, organizations, establishments, and facilities in Maryland shall comply with:

1. applicable Local Orders;
2. applicable Secretary's Directives;
3. applicable social distancing guidance published by CDC and MDH; and
4. orders issued by the applicable Local Health Officer pursuant to the Order of the Governor of the State of Maryland Number 20-04-05-02, dated April 5, 2020, entitled "Delegating Authority to Local Officials to Control and Close Unsafe Facilities", as it may be amended from time to time.

ii. For avoidance of doubt, Retail Establishments shall continue to comply with the Order of the Governor of the State of Maryland Number 20-04-15-01, dated April 15, 2020, entitled "Requiring Use of Face Coverings Under Certain Circumstances and Requiring Implementation of Certain

Physical Distancing Measures", as it may be amended from time to time (the "Face Coverings Order").

iii. Any business, organization, establishment, or facility in Maryland may require its customers over the age of two, visitors over the age of two, and/or staff to wear Face Coverings (as defined in the Face Coverings Order). A business, organization, establishment, or facility that elects to do so shall post signage at each entrance advising customers, visitors, and/or staff about such requirement.

IV. Businesses, Organizations, Establishments, and Facilities Required to Close.

a. *Senior Centers*. All senior citizen activities centers (as defined in Section 10-501(i) of the Human Services Article of the Maryland Code) shall remain closed.

b. *Theaters*.

i. This Order controls the occupancy and use of theatres in Maryland at which live performances occur or motion pictures are shown ("Theaters").

ii. Except as permitted by paragraph III.e.i.6, all Theaters shall remain closed to the general public.

c. *Minimal Operations*. Staff and owners may continue to be on-site at any business, organization, establishment, or facility that is required to be closed pursuant to this Order for only the following purposes:

i. Facilitating remote working (a/k/a/ telework) by other staff;

ii. Maintaining essential property;

iii. Preventing loss of, or damage to property, including without limitation, preventing spoilage of perishable inventory;

iv. Performing essential administrative functions, including without limitation, picking up mail and processing payroll; and

v. Caring for live animals.

d. *Closure By Other Order*. All businesses, organizations, establishments, and facilities that are required to close pursuant to any other Order of the Governor of the State of Maryland or any other Order of a political subdivision, shall be and remain closed in accordance with such other Order, as the case may be.

V. Specific Exclusions. For avoidance of doubt, this Order does not require the closure of, or prohibit the movement of any staff or volunteer traveling to, from, or in connection with their duties at any:

a. federal, State, or local government unit, building, or facility;

b. newspaper, television, radio, or other media service; or

c. non-profit organization or facility providing essential services to low-income persons, including, without limitation, homeless shelters, food banks, and soup kitchens.

VI. Government Buildings and Facilities with Large Occupancy or Attendance.

a. State and local government buildings and facilities with an expected occupancy or attendance of more than 10 people shall:

i. Promptly and conspicuously post in the building or facility a copy of the MDH recommendations for social distancing; and

ii. Provide all occupants and attendees with the capability to wash their hands.

b. A copy of this Order shall be made available to all occupants or attendees at any State or local government building and facility with an expected occupancy or attendance of more than 10 people.

VII. General Provisions.

a. Each law enforcement officer of the State or a political subdivision shall execute and enforce this Order and any Local Order.

b. A person who knowingly and willfully violates this Order or any Local Order is guilty of a misdemeanor and on conviction is subject to imprisonment not exceeding one year or a fine not exceeding $5,000 or both.

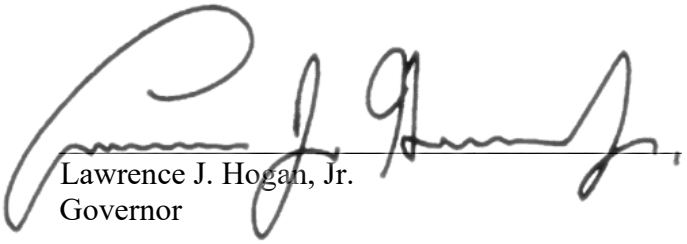
c. This Order remains effective until after termination of the state of emergency and the proclamation of the catastrophic health emergency has been rescinded, or until rescinded, superseded, amended, or revised by additional orders.

d. The effect of any statute, rule, or regulation of an agency of the State or a political subdivision inconsistent with this order is hereby suspended to the extent of the inconsistency.

e. The underlined paragraph headings in this Order are for convenience of reference only and shall not affect the interpretation of this Order.

f. If any provision of this Order or its application to any person, entity, or circumstance is held invalid by any court of competent jurisdiction, all other provisions or applications of the Order shall remain in effect to the extent possible without the invalid provision or application. To achieve this purpose, the provisions of this Order are severable.

ISSUED UNDER MY HAND THIS 10TH DAY OF JUNE, 2020, AND EFFECTIVE IMMEDIATELY.



Lawrence J. Hogan, Jr.

Governor Hogan Announces Resumption of Outdoor Dining, Additional Activities to Complete Stage One of Recovery

Youth Sports, Day Camps, Outdoor Pools Can Reopen Under Strict Protocols and Public Health Guidance
Maryland's Positivity Rate Has Dropped By More Than Half Since Peaking on April 7; State Adds New Data to Public Dashboard
Maryland Reaches Goal of 10,000 Tests Per Day, Has Completed More Than 300,000 COVID-19 Tests
Will Continue Flexible, Community-Based Approach for Reopening; Nearly All Jurisdictions Have Entered or Announced Plans to Enter Stage One

ANNAPOLIS, MD—Governor Larry Hogan today announced that due to successful Stage One reopenings across the state and improvements in key data and metrics, the State of Maryland can now safely move forward with the completion of Stage One of the 'Maryland Strong: Roadmap to Recovery,' which includes the resumption of outdoor dining and outdoor activities such as youth sports and youth day camps, and the reopening of outdoor pools and drive-in movie theaters.

Stage One will continue to be implemented with a flexible, community-based approach that empowers individual jurisdictions to make decisions regarding the timing of reopenings. As of today, 23 of Maryland's 24 jurisdictions have entered or announced their plan to begin entering Stage One.

defeat it," said Governor Hogan. "Thankfully, the vast majority of our citizens clearly understand that while doing things like avoiding crowds, practicing distancing, and wearing masks may be inconvenient, that these are some of the best tools we have to continue to slow the spread of this virus, and to put us in a position to rebuild and restore our economy, and to finally defeat this invisible enemy."

MARYLAND'S POSITIVITY RATE HAS DROPPED BY HALF, NEW DATA NOW AVAILABLE. Maryland has now reached the goal of conducting 10,000 tests in a day, and has completed more than 300,000 COVID-19 tests statewide. With the state's expanded testing and tracing capacity, Maryland now has the ability to take a closer and more accurate look at positivity rates—another important indicator of the recovery and a key metric being used by the CDC and other states to track the containment progress of COVID-19.

Building on Maryland's data-driven approach, Governor Hogan unveiled positivity rate data for the state showing that Maryland's statewide positivity rate peaked at 26.91% on April 7. Since then, it has dropped by more than half, down to 12.8%. This data is now available on the state's public health dashboard.

LOWER RISK DOES NOT MEAN NO RISK. Governor Hogan continued to stress the importance of staying home as much as possible, avoiding crowds of people, teleworking when possible, practicing physical distancing, wearing masks in indoor public areas, and avoiding public transportation unless it is absolutely necessary.

Stage One Activities Effective Friday, May 29, at 5:00 pm:

OUTDOOR DINING. Restaurants as well as social organizations such as American Legions, VFWs, and Elks Clubs will be able to begin safely reopening for outdoor dining following strict public health requirements consistent with the CDC, FDA, and the National Restaurant Association. Read the governor's order here.

Restaurants must:

- Ensure patrons are appropriately distanced with no more than six people seated at a table, with the exception of members of the same household.
- Ensure patrons are seated at least six feet away from each other, except for households seated together.
- Use single-use disposable paper menus or sanitize reusable menus between each seating.
- Sanitize outdoor tables and chairs between each customer seating.
- Train staff in current COVID-19 health and workplace guidelines.
- Begin screening procedures including daily temperature checks of all staff.
- Ensure staff wear masks or face coverings when interacting with other employees or patrons.

In an effort to promote safer dining and support the restaurant industry, the governor is encouraging local jurisdictions to expand the footprint of outdoor dining by allowing for the closing of streets and expanding into parking lots and public outdoor spaces.

YOUTH SPORTS. Outdoor youth sports may resume following appropriate CDC guidelines including:

- Limited, low-contact outdoor practices focused on individual skill building versus competition.
- Limited group sizes.
- Limited touching of shared equipment and gear.
- The ability to engage in physical distancing while not actively engaged in play.

YOUTH DAY CAMPS. Outdoor activities at youth day camps may resume under the following guidance:

- Capacity limitation of no more than 10 individuals in a group.
- Daily COVID symptom checks for youth camp staff and campers.
- No out-of-state or overnight campers will be permitted.
- Physical distancing and masks will be required for all staff and campers.

OUTDOOR POOLS. All outdoor pools may reopen with strict safety guidelines including:

- 25% capacity restrictions.
- Strict physical distancing and sanitization measures.
- Patrons will be required to sign-in and sign-out.
- All pools will be required to post signage warning anyone who is sick not to enter.

STAGE TWO. Governor Hogan noted that health officials will continue to watch the data closely, and if these encouraging trends continue into next week, the state will then be in a position to move into Stage Two of the recovery, which would mean lifting the order on non-essential businesses.

COUNTY EXECUTIVE ALSOBROOKS ANNOUNCES MODIFIED PHASE TWO REOPENING FOR PRINCE GEORGE'S COUNTY ON JUNE 15

LARGO, MD – Prince George's County Executive Angela Alsobrooks announced today that the County will begin a modified phase two reopening on June 15, 2020 at 5:00 PM. This decision was made under the advice of public health officials and the data that the County has been monitoring, including continued downward trends in the number of COVID-19 cases, deaths, and hospitalizations.

"The past several months have been a trial, but due to the strong efforts of our community to contain the spread of COVID-19, we are now ready to move to the next phase of our incremental reopening of Prince George's County," said Alsobrooks. "As we slowly recover from this virus and adjust to our new normal, I want to remind residents that we must all continue to take certain precautions to protect ourselves and others, including wearing face coverings and practicing physical distancing."

As part of the modified phase two reopening, residents are still encouraged to exercise caution and limit non-essential trips. A number of non-essential businesses and services will be able to reopen with modifications that protect the health and safety of employees and residents, including the following:

- **Retail stores** will be able to open in-store, with safeguards and capacity limits. 5 people per 1,000 square feet will be allowed in store, not to exceed 50% percent capacity.
- **Barbershops and hair salons** will be allowed to open for hair services by appointment only at 50% percent capacity, with the use of PPE. This includes facemasks and gloves for all employees and customers must also wear masks, along with appropriate floor markings to create adequate social distancing. Employees will not be permitted to have clients waiting in a sitting area. All CDC guidelines for cleaning high use surfaces must also be followed.

- **All other personal services, which includes nail salons, massages, and spas,** can now reopen by appointment only with strong safeguards and physical distancing in place. These businesses must have PPE, including face coverings and gloves, and they may only have 1 customer per 200 sq. ft. of service delivery space. Customers are required to wear face coverings, and high contact surfaces must be cleaned with disinfectant every 2 hours. All employees must receive training on CDC COVID-19 guidance. Digital payment methods should be encouraged as well.
- **Restaurants** may open with outside seating and they may have indoor dining at 50% percent capacity, as allowed by the State of Maryland. There can be no more than 6 people seated at a table, tables must be at least six feet apart, and no more than 50 people will be allowed at any outdoor restaurant establishment regardless of space. Employees must receive health screenings prior to their shifts, and all CDC guidelines must be adhered to. Additionally, all employees must wear face coverings, and restaurants must have hand sanitizer and appropriate hand washing facilities available.
- **Houses of worship** can open for gatherings not to exceed 25 percent capacity. Otherwise, they can maintain online services, drive-in services, and outdoor services of 250 people or less, as long as they maintain appropriate social distancing.
- **Childcare facilities** will be able to open for essential employees and for employees who are returning to work in phase two. In addition to the use of masks and gloves for all employees and having appropriate social distancing and disinfecting in place, they must also have a schedule for staggered drop offs and pickups, conduct daily symptom checks and have a strict dismissal policy in the event of positive cases. In Phase 2, the Maryland State Department of Education will continue to expand the availability of Essential Personnel Child Care programs.
- **Outdoor community pools**, both public and private, may open. These facilities may only operate at 25% percent capacity and must practice proper social distancing guidelines. **Indoor pools** will remain closed.
- **Car washes** may open with automated systems, but drivers and passengers must stay inside of the vehicles at all times. Workers may wipe down the exterior of the car. Self-service car cleaning is allowed.
- **Outdoor youth sports** may resume in small groups, no more than 9 children and 1 coach. There can be no more than 50 people in any area.
- **Parks** are open for personal fitness and fitness classes. This includes all parks, fields, tennis courts, tracks, and golf courses. Low contact sports will be allowed as well.

Some restrictions currently in place will remain. Gyms, fitness centers, and other indoor physical activities will remain closed. Amusement parks, casinos and enclosed shopping malls must remain closed. Gatherings of 10 or more people that are not outlined in the modified phase two reopening above are still prohibited.

For County Government, buildings will remain closed to the public. County Government will return a limited number of employees, increasing some additional services. However, we are encouraging employees to continue teleworking. The County Government is still open and operational, adding a number of virtual services in our agencies to ensure that we can still serve our residents.

The decision to move forward with a modified phase two reopening was made based on the latest COVID-19 data and trends within Prince George's County. Looking at case numbers, the high for the County was the week of April 26 with 2,370 new cases. The most recent data from last week, starting May 31, shows 1,432 new cases.

The rate of death from COVID-19 is going down. The week of April 26, over 70 residents a week were dying from COVID-19. For the week ending May 30, there were 50 total deaths with an average of 7.1 deaths per day, a slight decrease from the previous week of 7.6. For hospitalizations, on May 9, there were 262 COVID-positive patients in County hospitals. The County has stayed below 150 patients in County hospitals since June 1.

Finally, the County's positivity rate is at a record low since a high of 43.1% the week of April 19. Last week, the positivity rate was at 14.1%, which was a 5% drop from the previous week of 19.1%. All of this data is public through the County's COVID-19 dashboard, available online here.

City of Greenbelt Pandemic Recovery - June 12, 2020

As we move into Stage Two of Recovery, the basic premise that all City of Greenbelt employees deserve to be safe at work remains. The City is committed to easing into recovery in a manner that keeps both employees and the community as safe as possible in an ever evolving situation. Our recovery plan throughout this pandemic has been, and will continue to be, to provide essential services such as police, trash, recycling, mental health counseling, limited code enforcement inspections, and planning and development services to our community. The City has also been able to continue the distribution of food to senior citizens, to provide baby and adult diapers to those in need, and to work with local religious organizations to provide food to those with food insecurities. City staff adapted quickly to provide these services via the network, telephone, email, virtual meetings, social media and the City website. While City buildings have been restricted, City employees have continued to safely work by implementing rotating or staggered shifts, and limiting their contact with each other and the public.

In accordance with CDC guidelines on COVID-19 and the related illnesses, it is important to limit contact to persons that have travelled throughout the region. This is for the protection of both the public and City Employees, many who are considered high risk by the CDC. This includes frontline employees who serve in the City's community and recreation centers, as well as in garbage collection and facility and grounds cleaning. Although employees take pride in offering excellent in-person service, their health and that of their families and the people they serve is a concern.

Much work needs to be done before all of our facilities can completely be opened. Full and part-time employees need to train on COVID-19 prevention. Confidential medical screening and preventive support, and mental health resources must be put into place. Over the past several months, staff has been evaluating City facilities and spaces and evolving health guidance to plan for a physical environment to safely provide services.

The City applied for and was recently approved for Federal reimbursement via Prince George's County to support expenditures on food, housing and utility relief for Greenbelt residents, as well as COVID-19 related improvements to City facilities. The City will adhere to strict guidelines and continue restricted access to City facilities throughout this process. Reopening will be based on the nature of the service or activity, staffing levels, and safety; certain services will be available gradually throughout the upcoming weeks. For example, the pool may open with lap swimming only at the outdoor pool for a limited number of aquatic center members, and eventually expand to more people and water play. Please be assured that when we do begin to open our facilities it will be with all possible physical safeguards put into place with a highly trained staff that will know how to best protect themselves and our citizens.

Virtual recreation programs will continue, with the potential for small, outdoor classes; however some instructors (public and private) have expressed safety concerns about regathering. We work through these issues with safety in mind. As has been done with Police Department visitors, when arriving at a City facility, you will be asked questions to verify you are not sick and may have to provide your temperature.

We are hopeful for a successful vaccine. Until then, City employees, volunteers, vendors and visitors should be prepared to use continued social distancing, wear face coverings and other guidelines when at City parks, trails or other facilities. Please continue to be patient and kind with neighbors during a time of change and uncertainty. The city is fortunate to have more facilities, programs, and services than many peer communities. This requires a larger amount of well trained staff to provide a safe environment for all.

City employees are still working to serve you 24 hours a day/7 days a week. We look forward to the day when we can be reunited in person and celebrate our beating this disease and uniting as a community! Until then, I thank everyone for your courage, kindness, and compassion for our community - from staying at home, wearing face coverings, to making face masks, donating to help feed and house neighbors, and offering great ideas for future City operations, your continued support and patience is appreciated. On behalf of all City employees, thank you.
