Gun Replacement Memo

Duty Replacement Pistol Proposal

Atlantic Tactical Quote

Firing Line Update

Maryland Small Arms

The Police Department is in the process of replacing the duty weapons carried by officers. Based on the included recommendation from Captain Sagan, Lieutenant White obtained proposals from three separate vendors. Each vendor provided pricing for replacement of all duty weapons and compatible holsters needed for carry. Below is a table with the purchase options based on the quotes received:

Vendor:	Handguns:	Holsters:	Sub-total:
Atlantic Tactical	\$33,645.00	\$5,388.60	\$39,033.60
Firing Line, LLC.	\$31,875.00	\$5,572.00	\$37,447.00
MD Small Arms	\$48,750.00	\$6,735.75	\$55,485.75

It is recommended to purchase the replacement weapons and gear from Atlantic Tactical. While Firing Line, LLC. has a slightly lower price, Atlantic Tactical is a large regional dealer with a demonstrated history of superior customer support. Atlantic Tactical offers the pricing and service to the Police Department under Prince George's County contract # C17-086.

The FY 2019 Replacement Fund includes \$32,000 for replacement handguns. There are sufficient funds in the fund balance to cover the additional cost.

It is recommended this Resolution be introduced for first reading.

IV. OTHER BUSINESS

12. Community Advocates for Family & Youth (CAFY) Victim Witness Assistance Program

Suggested Action: The Greenbelt Police Department is seeking a partnership with the

Community Advocates for Family & Youth, Inc. (CAFY). CAFY will provide services to the victims of crime that occur in the City of Greenbelt. Acting Captain Seung Lee will provide Council with an overview of the Community Advocates for Family & Youth, Inc.

[CAFY Background Cover Letter.pdf](#)

13. Maryland Criminal Intelligence Network Site (MCIN)

Suggested Action: The Greenbelt Police Department is seeking to join other local law enforcement agencies in the Maryland Criminal Intelligence Network Site (MCIN). The Maryland Criminal Intelligence Network Site is a grant funded by the State of Maryland to the City of Hyattsville whose primary purpose is to develop a robust information structure that will enable the cross-jurisdictional sharing of accurate and actionable intelligence to identify criminal networks efficiently and effectively. Acting Captain Seung Lee will provide Council with an overview on the Maryland Criminal Intelligence Network Site.

14. Greenbelt 20 Minute Cleanup Initiative

Suggested Action: Mr. Byrd requested that this item be included on the agenda.

The proposed motion is to encourage Greenbelt residents to pick up litter anywhere in Greenbelt for twenty minutes sometime this April.

Mr. Byrd further suggests the City can collect information on public participation by having residents do their pickups and then email Jason Martin with their results, including

- the number of people who participated
- how many bags of trash/recycling that they collected.

15. WMATA Trail Update

Suggested Action: Mayor Jordan requested this item be added to the agenda. Ms. Hraby will be in attendance to provide an update.

In summary, Woodlawn has been working on submittals to the Prince George's County Department of Permitting, Inspections and Enforcement (DPIE) and to Maryland-National Capital Park and Planning Commission (M-NCPPC). Specifically, Woodlawn has submitted a Stormwater Management Concept plan to DPIE and have addressed all comments. Concept approval is pending an NRI equivalency letter in lieu of an NRI plan from M-NCPPC. They are also preparing a Site Development Plan to be submitted to M-NCPPC after the concept has been approved. M-NCPPC is requiring that the trail be located in an easement held by the City, or on property owned by the City in order for the project to be eligible for Mandatory Referral. Staff will be working with Woodlawn and Mr. Pounds on this issue in the coming weeks. Woodlawn has completed the required photometric study and is working on finalizing lighting details. Electric service continues to be an outstanding issue, and needs to be finalized so that trail engineering can move forward. WMATA has provided a cost estimate for it to provide power to the entire length of the trail, but the estimate was exorbitant and Woodlawn is exploring options. At this time it is estimated that the project is approximately 3 to 4 months behind schedule. It should also be noted that the WMATA Connection Agreement has been reviewed by Mr. Pounds and needs to be scheduled for City Council review.

16. Greenbelt Metro Station Discussion

Suggested Action: Mayor Jordan requested that this item be added to the agenda.

17. Letter to Congressional delegation on Deferred Enforced Departure immigration issue
Suggested Action: Mr. Byrd requested that this item be included on the agenda.

18. * Reappointment to Advisory Boards/Committees
Suggested Action:

Reference: Reappointment Surveys

The following individuals have indicated their willingness to continue to serve on City Advisory Boards and Committees:

Betty Sonneveldt - Park and Recreation Advisory Board

Ronald Bjorkland - Greenbelt Advisory Committee on Environmental Sustainability

Ethel Dutky - Advisory Committee on Trees

Brandon Ricardo Gordon - Park and Recreation Advisory Board

Approval of this item on the consent agenda will indicate Council's intent to appoint them to new terms.

PROCLAMATION

WHEREAS, Earth Day was first celebrated on April 22, 1970, with the goal of inspiring environmental awareness and encouraging the conservation, protection, and appreciation of our nation's natural resources; and

WHEREAS, it is the responsibility of each of us to safeguard the environment by recognizing that all human life depends upon the Earth and upon one another for our mutual existence, well-being, and development; and

WHEREAS, Greenbelt supports the Climate Change Initiative goals of the Metropolitan Washington Council of Governments and the State of Maryland's Greenhouse Gas Reduction initiative; and

WHEREAS, Greenbelt takes many steps to protect and enhance our natural surroundings through a variety of positive actions, including community cleanup events, planting projects, refuse and recycling initiatives, and educational forums and workshops; and

WHEREAS, Greenbelt is recognized as a Tree City USA by the National Arbor Day Foundation, a Maryland Smart Energy Community, a Sustainable Maryland Certified Community, and an Environmental Protection Agency Green Power Partner, and has pledged to continue increasing its recycling rate, expanding its fleet of alternative fuel vehicles, promoting green building and complete street techniques, increasing energy efficiency, improving air quality, and preserving its open spaces; and

WHEREAS, the City established the Greenbelt Advisory Committee on Environmental Sustainability and a Green Team to study, investigate and advise Council on environmental issues impacting Greenbelt; and

WHEREAS, Greenbelt proudly recognizes all who participate in Earth Day for their proactive dedication to shaping a better future.

NOW THEREFORE, I, Emmett V. Jordan, by the authority vested in me by the citizens and City Council of Greenbelt, do hereby issue this proclamation in honor of the

49th ANNIVERSARY OF EARTH DAY

and urge all our residents to celebrate Earth Day by supporting and joining in efforts to protect our environment and to preserve the beauty, wonder, and diversity of our Earth's lands, skies, and waters.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Greenbelt, Maryland, to be affixed this 8th day of April 2019.

**ADVISORY PLANNING BOARD
REPORT TO COUNCIL**

**REPORT NO. 2019-03
March 21, 2019**

**SUBJECT: Windsor Green Community Center
Pre Application DSP-081010-02**

BACKGROUND:

G.E. Fielder and Associates submitted application materials for the Windsor Green Community Center Detailed Site Plan (DSP) for Parcel R owned by the Windsor Green Homeowners Association. The subject property is located at 7474 Frankfort Drive, Greenbelt, Maryland, 20770 which is on the Southwest corner of the intersection of Greenbelt Road and Frankfort Drive. The north side of the subject property fronts Greenbelt Road (MD 193). The current development was built in the early 1980s.

The DSP provides for the removal of two (2) of five (5) tennis courts as well as the grey concrete wall fronting Greenbelt Road, and replacing them with a mix of features and amenities that will make the community center more current in terms of user needs. The plan also outlines the revitalization of the existing building, plaza, play space and the addition of Bocce and volleyball. In addition, it provides ADA access to facilities, bicycle parking and a water fountain.

ANALYSIS:

Representatives from G.E. Fielder and Associates presented to a joint meeting of the Advisory Planning Board (APB) and Parks and Recreation Board (PRAB) on March 20, 2019. Following the presentation, the Board met to discuss the DSP details for Windsor Green Community Center renovation. City Staff informed the Board that the DSP meets the requirements of Prince George's County Code as well as the Prince George's County Landscape Manual. In general, the Board is supportive of this plan. However some issues were raised during the session. The concerns raised were:

- The plan proposes that the maintenance yard be relocated to the north end of the parking lot. The concern is that this would make it visible from Greenbelt Road. The plan proposes a sight tight fence but there was some discussion about whether it could be situated at a different location.
- The plan could do more in terms of Stormwater Management (SWM). The Board mentioned several ideas that could be explored including: pavers which could help with permeability, rain barrels in appropriate locations (possibly like those implemented at the Youth Center owned by the City of Greenbelt), cisterns, and even further reduction of impervious surfaces specifically the parking lot. The parking provision exceeds requirements and in addition is not highly used by

residents which creates an opportunity for reducing the number of parking spaces (impervious surfaces).

- The fence along Greenbelt Road will have plantings to screen it. It is not clear if the proposed plants will provide adequate/proper screening and the board recommends that this be reviewed for improved screening. The screening of the fence is important because it is the viewshed afforded to most people living or traveling through Greenbelt who are not Windsor Green residents. Beautiful and hospitable landscaping in this area will be a civic asset.

The Board is aware that the applicant is awaiting Stormwater Management Concept plan approval from the County.

RECOMMENDATION:

The Board recommends City Council support the Windsor Green Community Center DSP with the following comments:

- 1) The Applicant should consider providing more creative elements for SWM including:
 - a. Pavers that can help with permeability
 - b. Consider using rain barrels or cisterns
- 2) The Applicant should consider reducing parking spaces/impervious surfaces.

Respectfully submitted,

Keith Chernikoff
Chair

This report was adopted by a vote of 5-0-1 with 1 member abstaining.

The Police Department is in the process of replacing the duty weapons carried by officers. Based on the included recommendation from Captain Sagan, Lieutenant White obtained proposals from three separate vendors. Each vendor provided pricing for replacement of all duty weapons and compatible holsters needed for carry. Below is a table with the purchase options based on the quotes received:

Vendor:	Handguns:	Holsters:	Sub-total:
Atlantic Tactical	\$33,645.00	\$5,388.60	\$39,033.60

MD Small Arms	\$48,750.00	\$6,735.75	\$55,485.75

It is recommended to purchase the replacement weapons and gear from Atlantic Tactical. While Firing Line, LLC. has a slightly lower price, Atlantic Tactical is a large regional dealer with a demonstrated history of superior customer support. Atlantic Tactical offers the pricing and service to the Police Department under Prince George's County contract # C17-086.

The FY 2019 Replacement Fund includes \$32,000 for replacement handguns. There are sufficient funds in the fund balance to cover the additional cost.

It is recommended this Resolution be introduced for first reading.

GREENBETL POLICE DEPARTMENT

FIREARMS TRAINING UNIT

DUTY PISTOL REPLACEMENT PROPOSAL

12/17/2018

In the fall of 2018, the Firearms Training Unit set about to find a pistol to replace the eleven year old Smith and Wesson M&P 40. Overall, the M&P performed very well over its service life, and the original plan was to replace the pistols with the M&P 2.0 9mm. Since newer and improved models of other pistol designs had entered the market, it was determined to test and evaluate other appropriate pistol designs. The three models that were chosen for the test were the Smith and Wesson M&P 2.0 9MM, Sig Sauer P320 Duty 9mm and the Glock 17 Gen 5 9mm.

Switch to 9mm

Recoil – Being a high pressure round, the recoil impulse of the 40 S&W was a bit harsh and difficult to manage from some shooters. In some cases, it took a large part of a training day to get shooters accustomed to the recoil. With the adoption of the lower recoiling 9mm round, range training will become more efficient and shooters will have more time to focus on building skills.

Bullet design – With advancements in bullet design, manufacturers have developed 9mm bullets to have consistent, maximized terminal performance. 9mm is now considered an effective tactical, defensive cartridge.

-2-

Test and Evaluation

18 officers participated in test firing the three pistols. Officers then filled out a questionnaire rating the pistols on size and comfort of the grip, trigger, recoil and shot recovery, and overall shoot-ability. Officers then rated the pistols as their first, second and third choice.

Results

10 officers rated the S&W M&P 2.0 9mm as first choice.

7 officers rated the Glock 17 Gen 5 9mm as their first choice

1 officer rated the Sig Sauer P320 9mm as their first choice

* It was expected for the M&P to do well, since the officers were most familiar and experienced with the design.

Safety

Both the M&P and the P320 can be disassembled without pulling the trigger. With the Glock 17, the trigger must be pulled for disassembly. This has been a significant safety issue and has been the cause of numerous accidental discharges in the law enforcement community. The opposing view to this is that it is a training issue. Given the human factor and the fact that many officers are not gun oriented, and see the pistol as another piece of equipment to maintain, the frequency of accidental discharges with the Glock is a significant safety concern.

The M&P 40's that were put into service in 2007 were equipped with a magazine disconnect safety. With the adoption of the departments first striker fired pistol, the addition for another level of safety during the disassembly process and when the pistol is out of the holster(cleaning, administrative actions), the magazine disconnect has proven to be overall positive feature with no negative side effects. The tactical side of argument will say that it is imperative to be able to shoot the round that is in the chamber without the magazine. This is a possibility with low

-3-

probability. Conversely, there is no way to quantify how many accidental discharges that didn't happen as a result of the magazine disconnect.

Recommendation

Pistol

Given the results of the test and evaluation and the specific features that are desired for our officers, the Firearms Training Unit recommends the Smith and Wesson M&P 2.0 9mm pistol with the magazine disconnect feature.

The Safariland® 7360 7TS™ Mid-ride holster is incredibly durable, yet remarkably lightweight. Constructed from Safariseven™ the holster is built to withstand the elements, including extremes of heat and cold. In addition, the holster retains its structural integrity even when submersed indefinitely. On the inside of the holster, the Safariseven material is non-abrasive to protect your firearm's finish. Additional protection is provided by raised surfaces which create airspace around the firearm, allowing dirt and moisture to quickly clear contact. The 7360 7TS Mid-ride holster has two retention systems, including the SLS (Self Locking System) and ALS® (Automatic Locking System.) To ensure a perfect fit, the 7360 is compatible with all Safariland holster mounting options, and the mid-ride belt feature allows the holster to ride close to the body.

Model 7378 7TS™ ALS® Concealment Paddle and Belt Loop Combo Holster

MODEL: 7378 | SKU: | PART

The Safariland® Model 7378 7TS Holster combines the security of ALS® with the speed and simplicity of an open-top design. ALS® secures your weapon automatically as it is holstered, yet still allows a fast, natural draw with the swipe of the thumb release as you acquire your shooting grip. Built from durable, weather- and temperature-resistant SafariSeven™ non-marking nylon blend, the Model 7378 7TS™ will not scratch or mar the finish of your firearm, and its raised interior stand-offs allow dirt and moisture to clear quickly.

Subject: Community Advocates for Family & Youth, Inc. (CAFY)

The Greenbelt Police Department is seeking to partner with the Community Advocates for Family & Youth, Inc. (CAFY) whereby CAFY will provide services to the victims of crime that occur in the City of Greenbelt.

BACKGROUND on CAFY

In 2003, Mrs. Arleen Joell founded the community based organization Community Advocates for Family & Youth, Inc. (CAFY) to help minimize the judicial impact on children, who through no fault of their own, had to testify in adult court. In 2005, CAFY partnered with the Prince George's County Police to provide victim advocate and support services to the crime victims in Prince George's County. Since then CAFY has partnered with other law enforcement agencies to include the Laurel Police Department, Bowie Police Department and Bladensburg Police Department where through a combination of staff and neighborhood volunteers serve to educate and support more than 3500 survivors of crime and their families. CAFY acts as the liaison between the Police Departments and community by helping reduce trauma and stabilize victims back into his/her environment and help hold offenders accountable. Establishing these partnerships in the community is a vital effort towards working collaboratively and cohesively in addressing crime and offering appropriate services to victims.

Maryland Criminal Intelligence Network Site (MCIN)

Suggested Action:

The Greenbelt Police Department is seeking to join other local law enforcement agencies in the Maryland Criminal Intelligence Network Site (MCIN). The Maryland Criminal Intelligence Network Site is a grant funded by the State of Maryland to the City of Hyattsville whose primary purpose is to develop a robust information structure that will enable the cross-jurisdictional sharing of accurate and actionable intelligence to identify criminal networks efficiently and effectively. Acting Captain Seung Lee will provide Council with an overview on the Maryland Criminal Intelligence Network Site.

The Maryland Criminal Intelligence Network Site is a grant funded by the State of Maryland to the City of Hyattsville whose primary purpose is to develop a robust information structure that will enable the cross-jurisdictional sharing of accurate and actionable intelligence to identify criminal networks efficiently and effectively. The MCIN program is intended to enhance coordination among public safety partner agencies to ensure that tactics, resources and intelligence are integrated for targeting criminal networks and gangs who are involved in the distribution of illegal drugs, the use of firearms in the crimes of violence, human trafficking or other inherently violent criminal enterprises through enforcement, prevention, intervention and re-entry strategies. MCIN will also focus on criminal gang activity in and around local schools in an attempt to provide for a safe learning environment for the students by keeping gangs out of the schools. It is envisioned that the MCIN will take the form of a state-wide network of criminal justice agencies focused on identifying, disrupting and dismantling criminal networks through collaboration and comprehensive data sharing both locally and statewide.

Subject:

Greenbelt 20 Minute Cleanup Initiative

Suggested Action:

Mr. Byrd requested that this item be included on the agenda.

The proposed motion is to encourage Greenbelt residents to pick up litter anywhere in Greenbelt for twenty minutes sometime this April.

Mr. Byrd further suggests the City can collect information on public participation by having residents do their pickups and then email Jason Martin with their results, including

- the number of people who participated
- how many bags of trash/recycling that they collected.

WMATA Trail Update

Suggested Action:

Mayor Jordan requested this item be added to the agenda. Ms. Hruby will be in attendance to provide an update.

In summary, Woodlawn has been working on submittals to the Prince George's County Department of Permitting, Inspections and Enforcement (DPIE) and to Maryland-National Capital Park and Planning Commission (M-NCPPC). Specifically, Woodlawn has submitted a Stormwater Management Concept plan to DPIE and have addressed all comments. Concept approval is pending an NRI equivalency letter in lieu of an NRI plan from M-NCPPC. They are also preparing a Site Development Plan to be submitted to M-NCPPC after the concept has been approved. M-NCPPC is requiring that the trail be located in an easement held by the City, or on property owned by the City in order for the project to be eligible for Mandatory Referral. Staff will be working with Woodlawn and Mr. Pounds on this issue in the coming weeks. Woodlawn has completed the required photometric study and is working on finalizing lighting details. Electric service continues to be an outstanding issue, and needs to be finalized so that trail engineering can move forward. WMATA has provided a cost estimate for it to provide power to the entire length of the trail, but the estimate was exorbitant and Woodlawn is exploring options. At this time it is estimated that the project is approximately 3 to 4 months behind schedule. It should also be noted that the WMATA Connection Agreement has been reviewed by Mr. Pounds and needs to be scheduled for City Council review.

March 31, 2019

To the leadership of _____

On behalf of the City of Greenbelt, we wish to extend our support in these troubled times. Respect and tolerance for religious diversity is a core value of the culture of our City. A copy of our "Community Pledge" is enclosed.

Through this letter, we are reaching out to assure you and your members that the Greenbelt Police Department is vigilant and ready to assist should an act of mass violence ever be attempted or perpetrated against your membership.

While your Center is located outside of the City of Greenbelt, and therefore not within our service jurisdiction, we want to assure you that **when a request for assistance or support is received from the Prince George's County Police Department**, we will not hesitate to respond.

In the event of a major incident, it is likely that our Police Department would be among the first to respond.

Please be confident that, when called upon by the County, the City of Greenbelt will quickly bring all available resources at our disposal to assist in any way possible to protect the members of your religious institution.

Should you have any questions or wish to speak with someone further regarding this correspondence, please do not hesitate to contact our City Manager Nicole Ard at (301) 474-8000.

Sincerely,

Emmett V. Jordan, Mayor
